

DOES YOUR DENTIST MAKE YOU SMILE?

“ Ever since my family started seeing my new dentist, I can’t stop smiling. He’s an MAGD, a Master of the Academy of General Dentistry, and that means he’s dedicated to staying up-to-date on the latest techniques and best practices in dentistry. ”

I BECAME AN
**AGD
MASTER**

because my commitment to continuing education goes far beyond my educational and licensing requirements.

I HAVE
**DEDICATED
MYSELF**

to learning, growing and staying current in my field so that I can provide the best oral care to all my patients and their families.

Leaders Among the Dental Community

For more than 65 years, the Academy of General Dentistry has been a leading organization of general dentists. Now 40,000 members strong, the dedication of AGD members is good news for patients.
